PSC CASE. 2019-00060 SECOND REQUEST

WITNESS: Ann Beard

Request 1. Refer to the response to Staff's Initial Request for Information, Item 6.

Explain why you do not offer the low-income energy efficiency demand-side management program known as Community Assistance Resources for Energy Savings as developed and offered by East Kentucky Power Cooperative, Inc.

Response 1. East Kentucky Power Cooperative offers several incentive programs for its members. From these programs, Taylor County RECC chose the programs that we felt would benefit our members the most. Furthermore, Taylor County RECC has not been approached by Lake Cumberland Community Services for participation in their programs.
