Re: re-appointment to Knott County Water and Sewer District

Case# 2019-00132 { 2019-00132 }

Mrs. Pinson,

I am writing to officially re-apply for the vacant seat on the Knott County Water and Sewer District.

I was the first member appointed to the board in 1999. I have served on district board for 20 years and as Vice Chairman for the last 12 years.

I have accumulated at least 200 hours of PSC trainings hours, including water district conferences in the past 20 years. In addition to the 20 years experience, and the 200 hours of PSC trainings, I also have these qualifications;

- (A) Masters degree from Morehead State University
- (B) retired teacher from Floyd County School District
- (C) currently an elected member of the Knott County Board of Education
- (D) owned and operated my own business for 19 years.

I am the most qualified person for this position. In 1999, only 8% of Knott Countians had safe drinking water. As a member of the board, now 85% of our residents have safe drinking water. In 2009, we built a 20 million dollar state of the art water treatment plant at Vicco, Ky. we now supply water to Letcher County, Perry County, Floyd County, and the City of Hindman. We have come a long way in 20 years.

In closing, I would be honored to finish my term on the board. If you have any doubt about my qualifications and character and would like to meet me

personally, I would be glad to do an in person interview at your office at your convenience.
