In Re: No. 2019-00132

To Whom It May Concern,

I am writing regarding the vacancy on the Knott County Water and Sewer Board of Commissioners. I feel I would be a very qualified member and an asset to anything required of members. I am a lifetime Carpenter/Builder. I also operate heavy equipment and I am familiar with sewage treatment plants of which I was formerly trained and certified for operating my own plant as an apartment owner. I was a Knott County Magistrate of the Fiscal Court for twelve years and feel I know the districts very well which in turn relates to knowledge of the needs of the people as well as policies of the County. Please consider me for this position.

Thank You,

Darrell Handshoe
