PUBLIC SERVICE
COMMISSION

BENT TREE CONDOMINIUM ASSOCIATION

401 REDDING ROAD, #42, LEXINGTON, KENTUCKY 40517

November 1, 2018

Mr. Jeb Pinney
General Counsel
Kentucky Public Service Commission
211 Sower Boulevard
Frankfort, KY 40601

Mr. Pinney:

With regard to an extraordinarily long and hindered effort by the Bent Tree Condominium Association, 401 Redding Road, Lexington, Kentucky, to obtain adequate information, advice, documentation and other assistance from Kentucky American Water Company (KAWC) this letter of request complies to you following an informal complaint filed with the Commission. We continue to encounter difficulty arriving at complete, publicly quantifiable, and timely cooperation from KAWC to settle disagreement on one water bill Bent Tree has an outstanding balance and for which we have sought for over a year to settle with KAWC.

Therefore, Bent Tree Condominium Association makes the following formal requests of the Commission:

All copies of meter tests and results performed on the two meters installed at 401 Redding Road since June 2017 current.

What type of meters and all meter serial numbers of meters located at this area from June 2017 to current.

All copies of outages in the area of 401 Redding Road and the surrounding area from June 2017 to current.

Bent Tree requests the Kentucky Public Service Commission test both meters associated with the property and provide the association with the results for time periods of June 2017 to current along with the dates of installation, dates of premise visit and the current status of the meters that were taken from the property, and any maintenance in the area for the time of period of June 2017 to current.

All copies of every site visit that has been made to the meters at 401 Redding Road and also all line breaks and maintenance, flushing of the valves, and maintenance of the other meters in the area for the time period of June 2017 to current.

All copies of the bills for the time period of June 2017- February 2018.

Determination of what method was used to obtain all meter readings at 401 Redding Road since June 2017, and when/if the method of obtaining meter readings was changed at any time since June 2017

Documentation and calendar outlining the nature and scope of all customer service inquiries made to KAWC by the Bent Tree Condominium Association since June 2017 to current.

Were Bent Tree Bills based on an actual or estimated read or manual or automatic read?

Further, Bent Tree respectfully requests the Kentucky Public Service Commission open a formal complaint of Kentucky-American Water Company in order that Bent Tree and its residents are afforded due process.

Respectfully, and on behalf of the 44 owners at Bent Tree and it's 5-member board of directors,

Brack Marquette, President
