BEFORE THE PUBLIC SERVICE COMMISSION

IN THE MATTER OF:

THE APPLICATION OF EAST KENTUCKY)	
POWER COOPERATIVE, INC. FOR AN)	
ORDER APPROVING THE ESTABLISHMENT)	CASE NO. 2019-00146
OF REGULATORY ASSETS FOR PRESENT)	
AND FUTURE MAINTENANCE EXPENSES)	

MOTION FOR AN EXTENSION OF TIME

Comes now East Kentucky Power Cooperative, Inc. (“EKPC”), by counsel, pursuant to 807 KAR 5:001, Section 5, and other applicable law, and does hereby request the Kentucky Public Service Commission (“Commission”) to grant it an additional three (3) business days in which to file responses to information requests propounded by the Commission, Nucor Steel Gallatin (“Nucor”) and the Office of the Attorney General (“Attorney General”), respectfully stating as follows:

EKPC filed its Application seeking authority to establish regulatory assets for certain minor property and maintenance expenses on May 13, 2019. Nucor and the Attorney General were subsequently granted leave to intervene. The first set of information requests were tendered by the Commission, Nucor and the Attorney General to EKPC on June 26th and 27th. Under the Commission’s May 21, 2019 procedural schedule, responses from EKPC are due on or before Friday, July 12, 2019. EKPC has worked diligently to prepare responses to the information requests, but the unavailability of certain personnel coupled with other pressing obligations have made it impossible for EKPC to fully prepare the responses to all the information requests as of

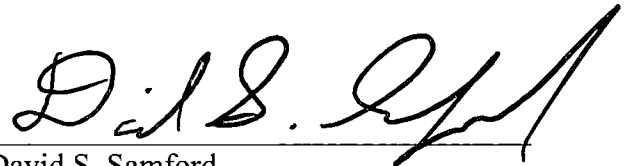

this date. Accordingly, EKPC respectfully requests a brief extension of its deadline to tender responses until Wednesday, July 17, 2019 – which equates to a three (3) business day extension. EKPC believes it is possible that it may need less time in which to file its responses, but is requesting three (3) business days out of an abundance of caution.

EKPC does not believe this brief extension will negatively impact the existing procedural schedule, however, it is agreeable to amending the procedural schedule to allow the Commission Staff and intervenors a corresponding period of additional time to tender supplemental information requests, if any.

WHEREFORE, on the basis of the foregoing, EKPC respectfully requests the Commission to allow it three (3) additional business days to tender responses to the initial information requests from the Commission, Nucor and AG.

Done this 11th day of July, 2019.

Respectfully submitted,

David S. Samford
