RE: Case No. 2019-00204

Dear Ms. Pinson:

It has come to my attention that the amount of the total gallons sold line of South Hopkins Water District Purchased Water Adjustment form was filled in incorrectly. The number reads 413,836,970. The correct number should read 284,244,942. I do apologize for making this mistake. Please contact the office with any questions.

Sincerely,

Kayla Goodaker
Office Manager
South Hopkins Water District
