MOTION TO RESCHEDULE CONFERENCE

The City of Henderson, Kentucky, and the Henderson Utility Commission, d/b/a Henderson Municipal Power & Light, (HMP&L) (jointly referenced hereinafter as “Henderson”), move for an order rescheduling the conference scheduled for February 27, 2020. The General Manager of HMP&L will be in Washington D. C. for the American Public Power legislative meeting from February 24 to February 26, returning to Henderson the afternoon of February 27.

As General Manager involved in the matters and issues raised in Big Rivers pleadings, his presence at the conference is essential. His presence will facilitate the development of facts and background information that will be helpful to the Commission in evaluating the allegations made by Big Rivers. There is no statutory deadline for the resolution of the issues raised in the pleadings and HMPL is the only intervenor.

For these reasons, HMP&L requests a rescheduling of the February 27, 2020 conference to the first week of March or a time convenient to the parties.
