COMMISSION STAFF'S SECOND REQUEST FOR INFORMATION
TO WESTERN PULASKI COUNTY WATER DISTRICT

Western Pulaski County Water District (Western Pulaski District), pursuant to 807 KAR 5:001, is to file with the Commission an electronic version of the following information. The information requested herein is due on May 25, 2020. Pursuant to the Commission's Orders in Case No. 2020-00085,¹ issued March 16, 2020, and March 24, 2020, Western Pulaski District SHALL NOT FILE the original paper copy of all requested information at this time, but rather shall file original paper copies within 30 days of the lifting of the current state of emergency. All responses in paper medium shall be appropriately bound, tabbed, and indexed. Electronic documents shall be in portable document format (PDF), shall be searchable, and shall be appropriately bookmarked.

Each response shall include the name of the witness responsible for responding to the questions related to the information provided. Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or

association or a governmental agency, be accompanied by a signed certification of the preparer or the person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

Western Pulaski District shall make timely amendment to any prior response if Western Pulaski District obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect. For any request to which Western Pulaski District fails or refuses to furnish all or part of the requested information, Western Pulaski District shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention shall be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations. When filing a paper containing personal information Western Pulaski District shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the paper so that personal information cannot be read.

1. Explain why the application, Exhibit F, states that the replacement of existing dilapidated and undersized water lines, installation of 100 radio-read meters, and replacement of service lines has been eliminated from Phase II, and Western Pulaski District's response to Commission Staff's Initial Request for Information (Response to Staff's Initial Request), Item 4.c. states these items have not been eliminated.

2. Refer to response to Staff's Initial Request, Item 4.c.
 - a. Provide the total cost and the source of funds for the water line replacement project that is currently underway in the Slate Branch Road/Oak Hill Road area.
 - b. If the funding source for the project is proceeds from the \$3,304,000 loan approved by the Commission in Case No. 2017-00063, state why Western Pulaski District did not seek Commission approval to utilize those funds as directed by the final Order in Case No. 2017-00063.
 - c. Provide the projected cost and the source of funds for the planned water line replacement project in the Kentucky 80/Fishing Creek Bridge area.
 - d. If the funding source for the planned project is proceeds from the \$3,304,000 loan approved by the Commission in Case No. 2017-00063, state why Western Pulaski District has not sought Commission approval to utilize those funds as directed by the final Order in Case No. 2017-00063.
 - e. Provide the total cost and the funding source for the 100 radio-read meters that have been added to Western Pulaski District's system. State when the radio-read meters were added to the system.
 - f. If the funding source for the radio-read meters was proceeds from the \$3,304,000 loan approved by the Commission in Case No. 2017-00063, state why Western Pulaski District did not seek Commission approval to utilize those funds as directed by the final Order in Case No. 2017-00063.

g. Provide the projected costs of the Clifty Road and the WTLO Road line replacement projects.
