ORDER

Farmdale Water District (Farmdale District) was notified by the Commission's Order entered September 11, 2020, that it has been named as a Defendant in a formal complaint filed on June 15, 2020.

In the complaint, the Complainant, William H. May, Jr., alleged that Farmdale District, in the course of working on its system, damaged his yard and did not repair the damage. Mr. May requested that Farmdale District repair his property to the state it was in before it was damaged.

On July 22, 2020, Farmdale District filed a letter indicating that the complaint may have been settled. Clifford Toles, the chairman of Farmdale District's board of commissioners, stated in the letter that Farmdale District had repaired Mr. May's yard.

Pursuant to 807 KAR 5:001, Section 20(3)(a), the Commission, upon the filing of a formal complaint, shall examine if the complaint establishes a prima facie case. In the Order entered September 11, 2020, Mr. May was ordered to file a statement with the

Commission to indicate whether this matter has been resolved. Mr. May did not make any further filing.

Based upon a review of the record, the Commission finds that Mr. May has failed to establish a prima facie case for which the Commission may grant relief. As Mr. May is the Complainant and has failed to communicate any good cause for not complying with the Commission's Order by providing further information, the Commission finds good cause to dismiss this case without prejudice.

IT IS THEREFORE ORDERED that:

1. This matter is dismissed without prejudice.
2. This case is closed and removed from the Commission's docket.
