In re: Case No. 2020-00055 (Catudal)

To whom it may concern:

After discussing the matter involving Amy Catudal (customer), the Nicholas County Water District Board of Commissioners decided it would be more economically sensible to credit \$ 92.08 back to Ms. Catudal's account than to hire legal counsel to move forward.

We therefore respectfully request this complaint be dismissed.

Sincerely,

Monica Pryor

NCWD Office Manager
