ORDER

On November 12, 2020, Kentucky Solar Industries Association, Inc. (KYSEIA) filed a motion requesting a partial deviation from the filing requirements of 807 KAR 5:001, Section 8, which requires a paper copy of electronically filed documents.

As a basis for the motion, KYSEIA stated that attachments to many of the responses to Kentucky Power Company's (Kentucky Power) data requests that were filed electronically on November 2, 2020, consist of Excel spreadsheets containing over 90,000 lines of data, and thus it would be costly and an undue burden to print. KYSEIA explained that it will provide the Excel files in electronic format on a CD or thumb-drive.

Having reviewed the motion and the material, and being otherwise sufficiently advised, the Commission finds that KYSEIA established good cause to grant the requested deviation because filing printed copies of the designated materials would not be an efficient use of resources and would result in an undue burden. KYSEIA will file

the information into the case record electronically on a CD or a thumb-drive. Further, all documents are fully accessible on the Commission's website.

IT IS THEREFORE ORDERED that KYSEIA's motion requesting to deviate from filing requirements of 807 KAR 5:001, Section 8, is granted.
