

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC TREATED SEWAGE	)	CASE NO.
ADJUSTMENT FILING OF WARREN COUNTY	)	2020-00182
WATER DISTRICT	)	

ORDER

On June 23, 2020, Warren County Water District (Warren District) applied for approval to adjust its rates pursuant to the treated sewage adjustment procedure.<sup>1</sup>

Having reviewed the record and being sufficiently advised, the Commission finds that:

1. Warren District purchases sewage treatment services from Bowling Green Municipal Utilities (Bowling Green).
2. Bowling Green notified Warren District that, effective for sewage services rendered on and after July 1, 2020, Bowling Green's wholesale sewage treatment rate to Warren District would increase from \$2.8377 per 1,000 gallons to \$2.8659 per 1,000 gallons. Warren District proposes to increase the rates to its customers effective July 1, 2020, to reflect the increased cost of treated sewage.
3. Warren District proposes a treated sewage adjustment factor of \$0.03 per 1,000 gallons.
4. Warren District bills for sewage collection and treatment services based upon a customer's water usage.

---

<sup>1</sup> KRS 278.015; 807 KAR 5:075.

5. During the 12 months ended March 31, 2020, Warren District sold 1,223,300,122 gallons of water, and Bowling Green treated 959,735,000 gallons of sewage from Warren District. The increase in the cost of sewage treatment is \$27,064.53, resulting in a treated sewage adjustment factor of \$0.03 per 1,000 gallons.

6. The treated sewage adjustment factor of \$0.03 per 1,000 gallons, as calculated in Appendix A to this Order, is fair, just, and reasonable and should be approved.

7. Warren District's proposed rates, as set forth in Appendix B to this Order, are fair, just, and reasonable and should be approved for sewer service rendered by Warren District on and after July 1, 2020.

IT IS THEREFORE ORDERED that:

1. The treated sewage adjustment factor of \$0.03 per 1,000 gallons is approved.

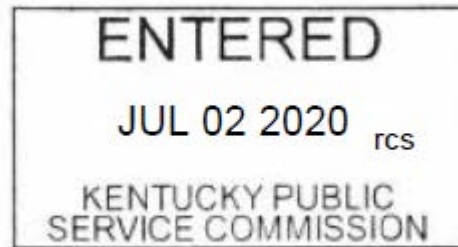

2. The rates proposed by Warren District are approved.

3. The rates as set forth in Appendix B to this Order are approved for water service rendered by Warren District on and after July 1, 2020.

4. Within 20 days of the date of this Order, Warren District shall file with the Commission, using the Commission's electronic Tariff Filing System, revised tariff sheets showing the rates approved herein.

5. This case is closed and removed from the Commission's docket.

By the Commission

ATTEST:
