COMMISSION STAFF'S FIRST REQUEST FOR INFORMATION
TO CRITTENDEN-LIVINGSTON WATER DISTRICT

Crittenden-Livingston Water District (Crittenden-Livingston District), pursuant to 807 KAR 5:001, is to file with the Commission an electronic version of the following information. The information requested herein is due within seven days of the date of this request. Pursuant to the Commission's Orders in Case No. 2020-00085,¹ issued March 16, 2020, and March 24, 2020, Crittenden-Livingston District SHALL NOT FILE the original paper copy of all requested information at this time, but rather shall file original paper copies within 30 days of the lifting of the current state of emergency. All responses in paper medium shall be appropriately bound, tabbed, and indexed. Electronic documents shall be in portable document format (PDF), shall be searchable, and shall be appropriately bookmarked.

Each response shall include the name of the witness responsible for responding to the questions related to the information provided. Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or

association or a governmental agency, be accompanied by a signed certification of the preparer or the person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

Crittenden-Livingston District shall make timely amendment to any prior response if it obtains information that indicates the response was incorrect when made or, though correct when made, is now incorrect in any material respect. For any request to which Crittenden-Livingston District fails or refuses to furnish all or part of the requested information, it shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention shall be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations. When filing a paper containing personal information, Crittenden-Livingston District shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the paper so that personal information cannot be read.

1. Refer to the application, Exhibit B, that states that Crittenden-Livingston District would reduce operating and maintenance costs by up to 50 percent if the proposed project was approved. Provide the amount of estimated savings Crittenden-Livingston District will achieve from the proposed project.

2. Provide the remaining useful service life of the existing meters that Crittenden-Livingston District proposed to replace.

3. Explain whether the existing meters that will be replaced have been fully depreciated. If not, provide the amount of accumulated depreciation on the meters, and explain how Crittenden-Livingston District intends to recover the undepreciated costs of the existing meters.
