Blue Grass water utility opportunity co Inc

STATUS

Dianne G Frederick

Homeowner - City of River Bluff, Oldham Co. KY

Map # 02-02A-03-89

Interact

Requesting intervention to reduce rate increase request by Blue Grass water utility co Inc. for the city of River Bluff and environs.

NOTE: Blue Grass water utility co Inc is trying for the maximum rate increase and Blue Grass water knows it is unreasonable. Blue Grass claims they will be spending \$3.5 million over the next 18 months. Let's see if they actually do these "improvements," then we can talk reasonable rate increase.
