RE: Case No. 2020-00349

This letter is in regard to "Notice To Customers of K.U. Company" that I received in my bill this month stating that K.U. is requesting to increase their rates & charges for their customers, becoming effective on or after January 1, 2021.

I am writing in request for intervention of Case No. 2020-00349.
I am a K.U. Company customer.

Grounds for requested intervention:

Families are struggling to make ends meet, just in keeping a roof over their head & putting food on their table, due to the crisis our country is in. There are K.U. Customers struggling to pay monthly bills now, much less if rates increase. There are so many people out of work/laid off from their jobs, I do not feel that a 10.67% rate increase is fair nor justified, especially given the times that we are in.

Please ask yourselves with careful consideration:
Is a rate increase for K.U. customers really necessary?

I am asking that a rate increase please be rejected.

Thank You
