RENDERED ON AND AFTER MAY 1, 2021)	

ORDER

On March 1, 2021, Louisville Gas and Electric Company (LG&E) submitted an application requesting to revise rates for its Gas Line Tracker Adjustment Clause (GLT) effective May 1, 2021, pursuant to the Commission's Order in Case No. 2012-00222¹ approving the GLT program and associated rates. On April 27, 2021, the Commission issued an Order suspending the effective date of the proposed rates for five months, up to October 1, 2021. There are no intervenors in this proceeding. The case now stands submitted for decision.

Based upon its application, LG&E's revenue requirement eligible for recovery under its GLT mechanism for 2021 is \$25,522,786; of that amount, \$11,699,758² is related to distribution projects, with the remaining \$13,823,028³ being related to transmission projects. During 2020, LG&E had a total undercollection of \$3,900,164,⁴

which it proposes to include as a charge to its 2020 revenue requirement in order to collect through its GLT balancing adjustment for 2020.

Having reviewed the evidence of record and being otherwise sufficiently advised, the Commission finds that the information contained in LG&E's filing is in sufficient detail to support the reasonableness of LG&E's revised GLT rates.

Further, the Commission finds that LG&E should file a GLT rate reconciliation filing by August 1, 2021, pursuant to LG&E's application for an adjustment to its rates and proposed changes to its GLT in Case No. 2020-00350.⁵

IT IS HEREBY ORDERED that:

1. The GLT rates in the Appendix to this Order are approved for service rendered by LG&E on and after the date of entry of this Order.
2. Within 20 days of the date of entry of this Order, LG&E shall file with this Commission, using the Commission's electronic Tariff Filing System, revised tariff sheets setting out the rates approved herein and reflecting that they were approved pursuant to this Order.
3. On or before August 1, 2021, LG&E shall file a GLT rate reconciliation incorporating the revisions approved for its GLT by the Commission's final Order in Case No. 2020-00350.
4. This case is closed and removed from the Commission's docket.

⁵ Case No. 2020-00350, *Electronic Application of Louisville Gas and Electric Company for an Adjustment of Its Electric and Gas Rates, a Certificate of Public Convenience and Necessity to Deploy Advanced Metering Infrastructure, Approval of Certain Regulatory and Accounting Treatments, and Establishment of a One-Year Surcredit* (filed Nov. 25, 2020), Testimony of Robert Conroy at 55, lines 9–11.
