---

good day,

I have tried to take care of this many times. on a few occasions sat on hold for long periods of time. The mail reponses i have received have not given me any info on how to pay this before it had gotten this far.

I was working a job mon-friday 5 am - 6 pm. i had no chances to reach out durring those times. I am back at my previous position now where I can access everything daily. is there any way we can settle this before it goes further?
