ORDER

This matter arises upon the request of the Morgan County Water District (Morgan District) filed February 22, 2022, to expend funds from its surcharge account in the amount of \$30,480. The funds are requested to pay Bear Traxx Inc. for the purchase and installation of six zone meter pits. The Commission finds that purchasing zone meter pits is a positive step toward addressing the water loss challenges it faces. Based upon a review of the record, the Commission finds that Morgan District shall be authorized to expend funds to pay Bear Traxx Inc. \$30,480 from its surcharge account created by the Commission's June 9, 2021 Order.

IT IS HEREBY ORDERED that Morgan District is authorized to pay Bear Traxx Inc. \$30,480 from its surcharge account created to address unaccounted-for water loss by the Commission's June 9, 2021 Order.
