Regard: Application of Russellville Solar, LLC

Please consider the following a written request for a leave to intervene concerning an application filed by Russellville Solar, LLC, to construct a solar farm in Logan County, Kentucky. The following request is for a local public meeting to be held in Logan County concerning this proposed project.

This request is on behalf of the Vick Family Trust. The Trust holds a 120 acre parcel of land directly adjacent to the proposed solar farm. The trust includes three permanent Logan County residents. The residents are Linda Campbell 4945 Schley Road Adairville, Kentucky, Al Vick 209 Joe Montgomery Road Russellville, Kentucky, and Larry Vick 711 Joe Montgomery Road Russellville, Kentucky.

Due to the direct proximity of this solar farm to the Vick Family Trust property, the access easement of current county and private roadways, and potential future damage to current farming operations of the Vick Family Trust, we hereby request a local public meeting in Logan County, Kentucky, concerning this construction.

Thank you for your time and attention to this request and we equally look forward to hearing from you in the near future.

Respectfully Submitted,

Minerva A. Westray Trustee
