Regard: Application of Russellville Solar, LLC

The following a written request for a leave to intervene concerning an application filed by Russellville Solar, LLC, to construct a solar farm in Logan County, Kentucky. The following request is for a local public meeting to be held in Logan County concerning this proposed project.

I have lived on a farm all my life and am aware of the importance of farmland to the community and the State of Kentucky. The future of farming in the area surrounding this solar farm is a potential hazard in the making. I hereby request a local public meeting in Logan County, Kentucky concerning the construction of Russellville Solar, LLC.

Your attention to this request is greatly appreciated and I look forward to a response.

Thank you
