Application of Russellville Solar, LLC

Please consider the following a written request for a leave to intervene concerning an application filed by Russellville Solar, LLC, on March 01, 2022, case number 2021-00235, to construct a solar farm in Logan County, Kentucky. The following request is for a local public meeting to be held in Logan County concerning this proposed project. This written request letter should be considered in addition to the written letters from the Vick Family Trust dated February 18, 2022, and February 21, 2022.

This request is on behalf of the Vick Family Trust. The Trust holds a 120 acre parcel of land directly adjacent to the proposed solar farm. The Trust includes three permanent Logan County residents. The residents are Linda Campbell 4945 Schley Road Adairville, Kentucky, Al Vick 209 Joe Montgomery Road Russellville, Kentucky, and Larry Vick 711 Joe Montgomery Road Russellville, Kentucky. The generationally skip of the Trust includes five additional Logan County residents and families.

Due to the direct proximity of this solar farm to the Vick Family Trust property, the access easement of current county and private roadways, and the potential future damage to current farming operations of the Vick Family Trust, we hereby request a local public meeting in Logan County, Kentucky, concerning this project.

While there may have been invitational promotion meetings for this proposed project, there have been no formal public meetings surrounding this proposed development. Review of the case file shows no public meeting minutes, comments, concerns, questions, or public officials

present at these promotional meetings. Logan County Judge Executive has informed us on several occasions that there has been no public meeting concerning this proposed project. Now with the Logan County Fiscal Court conducting issues concerning this proposed project in closed door private executive sessions, the public has no access to what is developing with this proposed project. Therefore, once again, we would request a local public meeting to be held in Logan County concerning this proposed project.

Thank you for your time and attention to this request and we equally look forward to hearing from you in the near future.

Respectfully Submitted,
