

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC APPLICATION OF LARUE	)	
COUNTY WATER DISTRICT NO. 1 FOR A	)	CASE NO.
RATE ADJUSTMENT PURSUANT TO 807 KAR	)	2021-00285
5:076	)	

ORDER

On July 21, 2021, LaRue County Water District No. 1 (LaRue District No. 1) tendered an application, pursuant to 807 KAR 5:076, requesting to adjust its water service rates. The Commission notified LaRue District No. 1 by letter dated July 22, 2021, that its application was rejected for failure to satisfy the minimum filing requirements set forth in certain Commission regulations. LaRue District No. 1 subsequently cured the filing deficiencies and its application was deemed filed as of July 23, 2021.

The Commission finds that a procedural schedule<sup>1</sup> should be established to ensure the orderly review of LaRue District No. 1's application. The procedural schedule is attached as an Appendix to this Order.

IT IS THEREFORE ORDERED that:

1. The procedural schedule set forth in the Appendix to this Order, which is attached hereto and incorporated herein, shall be followed.

---

<sup>1</sup> No action is necessary to suspend the effective date of LaRue District No. 1's proposed rates for service. Pursuant to 807 KAR 5:076, Section 7(1), an applicant who applies for a rate adjustment pursuant to the procedures set for in 807 KAR 5:076 may not place its proposed rates into effect until the Commission approves those rates or six months from the date of the filing of its application.

2. a. Electronic documents filed with the Commission in response to requests for information shall be in portable document format (PDF), shall be searchable, and shall be appropriately indexed and bookmarked. Each response shall include the name of the witness responsible for responding to the questions related to the information provided.

b. Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or an association or a governmental agency, be accompanied by a signed certification of the preparer or person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

c. A party shall make timely amendment to any prior response if it obtains information that indicates the response was incorrect when made or, though correct when made, is now incorrect in any material respect.

d. For any request to which a party fails or refuses to furnish all or part of the requested information, that party shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

e. Careful attention should be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request.

f. Any party filing a paper containing personal information shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the paper so that the personal information cannot be read.

3. In addition to the procedural schedule set forth in the Appendix, no later than November 23, 2021, Commission Staff shall file with the Commission and serve upon all parties of record a written report (Staff Report) containing its findings and recommendations regarding LaRue District No. 1's requested rate adjustment.

4. No later than 14 days after the date of the filing of the Commission Staff Report, each party of record shall file with the Commission:

a. Its written comments on and any objections to the findings contained in the Commission Staff Report; and

b. Any additional evidence for the Commission to consider.

5. If Commission Staff finds that LaRue District No. 1's financial condition supports a higher rate than LaRue District No. 1 proposes or the assessment of an additional rate or charge not proposed in LaRue District No. 1's application, LaRue District No. 1 in its response to the Commission Staff Report shall also state its position in writing on whether the Commission should authorize the assessment of the higher rate or the additional rate or charge.

6. If Commission Staff finds that changes should be made to the manner in which LaRue District No. 1 accounts for the depreciation of LaRue District No. 1's assets, LaRue District No. 1 in its response to the Commission Staff Report shall also state its position in writing on whether the Commission should require LaRue District No. 1 to implement the proposed change for accounting purposes.

7. A party's failure to file written objections to a finding contained in the Commission Staff Report within 14 days after the date of the filing of the Commission Staff Report shall be deemed a waiver of all objections to that finding.

8. If a party requests a hearing or informal conference, then the party shall make the request in its written comments and state the reason why a hearing or informal conference is necessary.

9. A party's failure to request a hearing or informal conference in the party's written response shall be deemed a waiver of all rights to a hearing on the application and a request that the case stand submitted for decision.

10. A party's failure to file a written response within 14 days after the date of the filing of the Staff Report shall be deemed a waiver of all rights to a hearing on the application.

11. As set forth in 807 KAR 5:001, Section 4(11)(a), a person requesting permissive intervention in a Commission proceeding is required to demonstrate either (1) a special interest in the proceeding which is not adequately represented in the case, or (2) that the person requesting permissive intervention is likely to present issues or develop facts that will assist the Commission in fully considering the matter without unduly complicating or disrupting the proceedings. Further, KRS 278.040(2) requires that a person seeking intervention must have an interest in the rates or service of a utility, as those are the only matters that are subject to the Commission's jurisdiction. Therefore, any person requesting to intervene in a Commission proceeding must state with specificity the person's special interest that is not otherwise adequately represented or the issues and facts the person will present that will assist the Commission in fully

considering the matter. A mere recitation of the quantity of water consumed by the movant or a general statement regarding a potential impact of possible modification of rates will not be deemed sufficient to establish a special interest. In addition, any motion to intervene filed after the date established in the procedural schedule attached as an Appendix to this Order shall also show good cause for being untimely. If the untimely motion is granted, the movant shall accept and abide by the existing procedural schedule.

12. The Commission directs the parties to the Commission's July 22, 2021 Order in Case No. 2020-00085<sup>2</sup> regarding filings with the Commission.

PSC July 22, 2021), Order (in which the Commission ordered that for case filings made on and after March 16, 2020, filers are NOT required to file the original physical copies of the filings required by 807 KAR 5:001, Section 8).
