Greetings,

To the arbitors of the case involving Kenergy efforts to expand broadband service. I am a homeowner residing at 10306 HY 815 Utica, KY 42376. I have no internet service. I have requested multiple times for ATT ( the only provider in my area) to provide service. I was told they no longer provide service to my area. My neighbor directly across the street has ATT internet, but I am out of area? I also asked for line of site cell internet service, but there was poor signal quality at my home. Internet service is sorely needed for many outside of the "easy money" areas. Please give Kenergy and all others authorization to provide for us.

Terry Willett
