

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC APPLICATION OF CHRISTIAN	)	CASE NO.
COUNTY WATER DISTRICT FOR A RATE	)	2021-00369
ADJUSTMENT PURSUANT TO 807 KAR 5:076	)	

ORDER

This matter arises upon the motion of Christian County Water District (Christian District) filed November 3, 2021, for an extension to December 3, 2021, in which to respond to Commission Staff's First Request for Information (Staff's First Request). In support of its motion, Christian District explained that it was working to complete the request by November 12, 2021, however it would need additional time for specific requests for documents prepared prior to 2020 in Items 14 through 18. Christian District filed its responses to Staff's First Request, excluding the information identified in the request for an extension on November 12, 2021. The Commission, being otherwise sufficiently advised, finds that the motion should be granted and that the procedural schedule should be amended to extend all remaining deadlines by a commensurate amount of time.

Further, the Commission, HEREBY ORDERS that:

1. The November 3, 2021 motion of Christian District for an extension of time within which to respond to Commission Staff's First Request for Information is granted.
2. The amended procedural schedule set forth in the Appendix to this Order shall be followed.

3. a. Electronic documents shall be in portable document format (PDF), shall be searchable, and shall be appropriately bookmarked. Each response shall include the name of the witness responsible for responding to the questions related to the information provided.

b. Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or an association or a governmental agency, be accompanied by a signed certification of the preparer or person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

c. A party shall make timely amendment to any prior response if it obtains information that indicates the response was incorrect when made or, though correct when made, is now incorrect in any material respect.

d. For any request to which a party fails or refuses to furnish all or part of the requested information, that party shall provide a written explanation of the specific grounds for its failure to respond completely and precisely.

e. Careful attention should be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request.

f. Any party filing a paper containing personal information shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the paper so that the personal information cannot be read.

4. Electronic documents shall be in portable document format (PDF), shall be searchable, and shall be appropriately bookmarked. The Commission directs the parties to the Commission's July 22, 2021 Order in Case No. 2020-00085<sup>1</sup> regarding filings with the Commission.

5. The Commission does not look favorably upon motions for continuance. Accordingly, motions for extensions of time with respect to the schedule herein shall be made in writing and will be granted only upon a showing of good cause.

6. Nothing contained herein shall prevent the Commission from entering further Orders in this matter.
