Dear Commissioners,

Protect Rooftop Solar and Hold LG&E and KU Accountable. I understand that there has already been a ruling as to how rooftop solar customers are to be reimbursed for the power they are producing for LG&E and KU and that these companies are not keeping their side of the bargain and are essentially cheating, and breaking the law. You have the power to bring fairness and justice for all and stop the greed from expanding. I urge you to simply do your duty. Thank You.

Sincerely,
Eleanor Bower
