ORDER

In response to an Order opening an investigation into possible violations of KRS 278.300 by the Corinth Water District (Corinth District), on May 26, 2022, Corinth District filed information related to the named commissioners. Corinth District alleged that two of the commissioners named in the in the opening order were not actually serving during the time the subject financing was obtained by the district. According to Corinth District, Diane Mincarelli served as a commissioner from February 2019 until October 2020. Shannon Long was appointed in October 2020 but moved out of district in April 2021. Ms. Long was replaced by Ashley Lauderman.

The Commission verified the information with other Commission filings. The truck loan was secured on February 17, 2017. The bond refinancing occurred July 23, 2021. The two former commissioners were not serving Corinth District at the time the financing was obtained. For these reasons, the Commission finds that Diane Mincarelli and Shannon Long shall be dismissed as parties from this investigation and the case style shall be edited to reflect their dismissal from this proceeding.

IT IS HEREBY ORDERED:

1. Diane Mincarelli and Shannon Long shall be dismissed as parties from this case.

2. The case style shall be amended to reflect this dismissal.
