Subject: Case #2022-00066

I Larry L. Hagan, a property owner of parcel I. D. 207-00-00-030. I am requesting an intervention in this case # 2022-00066 and am also requesting a public hearing concerning the 345 KU Electric Transmission Line planned to be on our property. The property in question is zoned C-2 and we have plans to develop the land into 7- 2 acre + lots with a road into property off the new 222 Bypass. The proposed line would ruin 3- 2+ acre lots, that would cost us millions of dollars. I know of a route west of our property that would be better and only affect R-2 property and less populated.

Thanks,

Larry L. Hagan
