COMMISSION STAFF'S SEVENTH REQUEST FOR INFORMATION  
TO BLUEGRASS WATER UTILITY OPERATING COMPANY, LLC

Bluegrass Water Utility Operating Company, LLC (Bluegrass Water), pursuant to 807 KAR 5:001, shall file with the Commission an electronic version of the following information. The information requested is due on November 21, 2023. The Commission directs Bluegrass Water to the Commission's July 22, 2021 Order in Case No. 2020-00085<sup>1</sup> regarding filings with the Commission. Electronic documents shall be in portable document format (PDF), shall be searchable, and shall be appropriately bookmarked.

Each response shall include the question to which the response is made and shall include the name of the witness responsible for responding to the questions related to the information provided. Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or the

<sup>1</sup> Case No. 2020-00085, *Electronic Emergency Docket Related to the Novel Coronavirus COVID-19* (Ky. PSC July 22, 2021), Order (in which the Commission ordered that for case filings made on and after March 16, 2020, filers are NOT required to file the original physical copies of the filings required by 807 KAR 5:001, Section 8).

person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

Bluegrass Water shall make timely amendment to any prior response if Bluegrass Water obtains information that indicates the response was incorrect or incomplete when made or, though correct or complete when made, is now incorrect or incomplete in any material respect.

For any request to which Bluegrass Water fails or refuses to furnish all or part of the requested information, Bluegrass Water shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention shall be given to copied and scanned material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations. When filing a paper containing personal information, Bluegrass Water shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the paper so that personal information cannot be read.

1. Refer to Bluegrass Water's response to Commission Staff's Sixth Request for Information (Staff's Sixth Request), Item 1(b).

- a. State whether the Carriage Park, Arcadia Pines, or Marshall Ridge wastewater treatment facilities have been the subject of any county health department citations or remediation recommendations over the past five years. If so, provide a

summary of those citations or remediation recommendations and any documentation provided by county health departments.

b. Explain what in-person inspection of the Carriage Park, Arcadia Pines, or Marshall Ridge wastewater treatment facilities accomplishes that a remote flow monitoring would not.

2. Refer to Bluegrass Water's response to Staff's Sixth Request, Item 4.

a. State Bluegrass Water's basis for selecting three days per week of in-person inspections.

b. Without remote monitoring equipment, state the minimum number of in-person inspections per week, month, or year necessary to assure safe and adequate operation of the Carriage Park, Arcadia Pines, or Marshall Ridge wastewater treatment facilities and compliance with commission rules. State the basis for this assertion. Provide an estimate of O&M expense reduction from current levels based on this minimum number of in-person inspections.

c. With remote monitoring equipment, state the minimum number of inspections per week, month, or year necessary to assure safe and adequate operation of the Carriage Park, Arcadia Pines, or Marshall Ridge wastewater treatment facilities and compliance with commission rules. State the basis for this assertion. Provide an estimate of O&M expense reduction from current levels based on this minimum number of in-person inspections.
