Re: *Electronic Investigation of Jurisdictional Status of East Kentucky Midstream, LLC and of its Compliance With KRS Chapter 278, 807 KAR Chapter 005, and 49 CFR Parts 191 and 192 - Case No. 2022-00238*

Dear Mrs. Vinsel:

Enclosed, please find for filing, Kentucky Frontier Gas, LLC's ("Kentucky Frontier") Response to the Commission's subpoena duces tecum issued in this case on May 17, 2023 in the in the above-styled case.

Please note that Kentucky Frontier is not able to produce the documents specifically requested in the subpoena duces tecum. The subpoena duces tecum requests Kentucky Frontier to provide "a list of the addresses of farm tap and retail natural gas customers to whom Jefferson Gas sent bills in March 2023." Kentucky Frontier cannot produce documents from Jefferson Gas. Jefferson Gas is not an affiliate of Kentucky Frontier and Kentucky Frontier is unsure if Jefferson Gas still exists. Instead, Kentucky Frontier is providing the information it believes the Commission is seeking with the subpoena duces tecum. The information provided is the billing sent in March 2023 by Kentucky Frontier to former Public Gas farm tap customers that were supplied directly from Jefferson Gas and now supplied by East Kentucky Midstream, LLC. This includes the requested information on 532 farm tap customers, but not the 1088 retail customers acquired from Public Gas. Kentucky Frontier also serves 37 customers at Daysboro but those were acquired from the city of West Liberty.

Please do not hesitate to contact me with any questions or concerns.

Sincerely,

L. Allyson Honaker
