

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC INVESTIGATION OF)	
AMENDMENTS TO THE PUBLIC UTILITY)	CASE NO.
REGULATORY POLICIES ACT OF 1978 AND)	2022-00370
DEMAND RESPONSE PRACTICES)	

ORDER

This matter arises upon the motion of the Kentucky Industrial Utility Customers, Inc. (KIUC), filed November 18, 2022, for full intervention. As a basis for its motion, KIUC stated that it has a special interest in this matter as KIUC represents 21 of the largest electric and gas public utility customers and whose purpose is to represent the industrial viewpoint on energy and utility issues before this Commission and before all other appropriate governmental bodies. KIUC asserts that its members have a special interest in this proceeding because electricity represents a significant cost of doing business for KIUC's members and the demand side management matters being considered in this proceeding could significantly affect electricity rates. KIUC argued that this special interest cannot be adequately represented by any existing party.

KIUC asserts that it has been participating in Commission ratemaking proceedings since 1978. KIUC states that it will be an active participant and will assist the Commission in presenting issues and developing facts.

LEGAL STANDARD

The only person who has a statutory right to intervene in a Commission case is the Attorney General of the Commonwealth of Kentucky, by and through the Office of Rate

Intervention (Attorney General), pursuant to KRS 367.150(8)(b). Intervention by all others is permissive and is within the sole discretion of the Commission.¹

The regulatory standard for permissive intervention, set forth in 807 KAR 5:001E, Section 4, is twofold. Commission regulation 807 KAR 5:001E, Section 4(11), requires a person to set forth in the motion to intervene either (1) a special interest in the proceeding that is not otherwise adequately represented in the case, or (2) that intervention is likely to present issues or develop facts that will assist the Commission in fully considering the matter without unduly complicating or disrupting the proceedings.

DISCUSSION AND FINDINGS

Based on a review of the pleadings at issue and being otherwise sufficient advised, the Commission finds that KIUC has demonstrated that it has a special interest in the proceeding over which the Commission has jurisdiction that is not otherwise adequately represented or that KIUC is likely to present issues or develop facts that will assist the Commission in considering this matter without unduly complication the proceedings, for the reasons discussed below.

KIUC has a special interest in this case as they represent large industrial customers in Kentucky and may have their electric related costs directly impacted by the Commission's review of demand side management programs. KIUC could also provide additional questions for discovery purposes and could assist in the development of the case record.

¹ *Inter-County Rural Electric Cooperative Corporation v. Public Service Commission of Kentucky*, 407 S.W.2d 127, 130 (Ky. 1966).

Based on the above, the Commission finds that KIUC should be granted full rights of a party in this proceeding. The Commission directs KIUC to the Commission's July 22, 2021 Order in Case No. 2020-00085² regarding filings with the Commission.

IT IS HEREBY ORDERED that:

1. KIUC's motion to intervene is granted.
2. KIUC is entitled to the full rights of a party and shall be served with the Commission's Orders and with filed testimony, exhibits, pleadings, correspondence, and all other documents submitted by parties after the date of this Order.
3. KIUC shall comply with all provisions of the Commission's regulations, 807 KAR 5:001E, Section 8, related to the service and electronic filing of documents.
4. Pursuant to 807 KAR 5:001E, Section 8(9), within seven days of service of this Order, KIUC shall file a written statement with the Commission that:
 - a. Certifies that it, or its agent, possesses the facilities to receive electronic transmissions; and
 - b. Sets forth the electronic mail address to which all electronic notices and messages related to this proceeding shall be served.

² Case No. 2020-00085, *Electronic Emergency Docket Related to the Novel Coronavirus COVID-19* (Ky. PSC July 22, 2021), Order (in which the Commission ordered that for case filings made on and after March 16, 2020, filers are NOT required to file the original physical copies of the filings required by 807 KAR 5:001, Section 8).
