

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC TARIFF FILING OF DUKE ENERGY)	
KENTUCKY, INC. FOR APPROVAL OF AN)	CASE NO.
ECONOMIC DEVELOPMENT INCENTIVE)	2022-00394
SERVICE AGREEMENT WITH DIVERSEY, INC.)	

ORDER

On March 30, 2026, Duke Energy Kentucky, Inc. (Duke Kentucky) filed a petition, pursuant to 807 KAR 5:001, Section 13, and KRS 61.878, requesting that the Commission grant confidential treatment for ten years for Attachment 1 included with Duke Kentucky’s 2025 Annual Report in this case.

In support of its petition, Duke Kentucky argued that Attachment 1 included detailed usage and billing information for one specific customer, including the precise amount of energy consumption and pricing of electric services for a specific facility.¹ The information includes a year’s worth of hourly interval electric usage along with the corresponding PJM Location Marginal Price (LMP) data for the same hourly interval periods. Duke Kentucky argued that this type of information is generally recognized as confidential or proprietary in nature and that public disclosure of the designated materials would give the customer’s competitors and/or vendors a potential advantage in

negotiating transactions because it details how the customer operates and uses electricity.²

Having considered the petition and the material at issue, the Commission finds that Attachment 1 included with Duke Kentucky's 2025 Annual Report is generally recognized as confidential or proprietary, which if openly disclosed would permit an unfair commercial advantage to competitors of the entity that disclosed the records; it therefore meets the criteria for confidential treatment and should be exempted from public disclosure pursuant to 807 KAR 5:001, Section 13, and KRS 61.878(1)(c)(1). The Commission has previously granted confidential treatment for the same information in this case.³

IT IS THEREFORE ORDERED that:

1. Duke Kentucky's March 30, 2026 petition for confidential treatment is granted.
2. The designated material granted confidential treatment by this Order shall not be placed on the public record or made available for public inspection for ten years or until further order of this Commission.
3. Use of the designated material granted confidential treatment by this Order in any Commission proceeding shall comply with 807 KAR 5:001, Section 13(9).
4. If the designated material granted confidential treatment by this Order becomes publicly available or no longer qualifies for confidential treatment, Duke Kentucky shall inform the Commission and file with the Commission an unredacted copy of the designated material.

5. If a nonparty to this proceeding requests to inspect the material granted confidential treatment by this Order and the period during which the material has been granted confidential treatment has not expired, Duke Kentucky shall have 20 days from receipt of written notice of the request to demonstrate that the material still falls within the exclusions from disclosure requirements established in KRS 61.878. If Duke Kentucky is unable to make such demonstration, the requested material shall be made available for inspection. Otherwise, the Commission shall deny the request for inspection.

6. The Commission shall not make the requested material available for inspection for 30 days from the date of service of an Order finding that the material no longer qualifies for confidential treatment in order to allow Duke Kentucky to seek a remedy afforded by law.

Entered on this 8th day of May, 2026.
