To whom it may concern:

I Benjamin Loy would like to submit this application to express my sincere interest in the board member position at Columbia Adair Utilities District. I am a lifelong resident of Columbia, Kentucky. I'm a graduate from Western Kentucky University.

I am asking for your consideration to be appointed as a board member at Columbia Adair Utilities District. Previously I have served on the Cattlemen Association and District Extension Board and currently serving on the State Extension Board. I feel with my experience that I could benefit the Columbia Adair Utilities District in making decisions that would not only benefit the district itself, but also the residents of Adair County.

Thank you for your consideration. I hope to become an asset to the Columbia Adair Utilities District. If you have any other questions please don't hesitate to contact me at

Sincerely,

Benjamin Loy
