

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC APPLICATION OF GREEN RIVER )	CASE NO.
VALLEY WATER DISTRICT FOR ADJUSTMENT )	2023-00088
OF RATES )	

ORDER

On May 3, 2023,<sup>1</sup> Green River Valley Water District (Green River Valley District) filed its application for an adjustment of its water service rates based on a historical test period ending December 31, 2021. The application proposed that the new rates become effective on June 1, 2023.

Pursuant to KRS 278.180(1), changes to any rate by any utility is prohibited except upon 30 days' notice to the Commission. Therefore, since the application was accepted for filing as of May 3, 2023, the earliest date that Green River Valley District's proposed rates can be effective is June 3, 2023. Having reviewed Green River Valley District's application, the Commission finds that an investigation is necessary to determine the reasonableness of the proposed rates, and that an investigation cannot be completed by June 3, 2023. Therefore, pursuant to KRS 278.190(2), the Commission will suspend the effective date of the proposed rates for five months, up to and including November 3, 2023.

---

<sup>1</sup> Green River Valley Water District tendered its application on May 1, 2023. By letter dated May 3, 2023, the Commission rejected the May 1, 2023 application for filing deficiencies. The deficiencies were subsequently cured, and the application is deemed filed on May 3, 2023.

The Commission further finds that a procedural schedule is necessary to review the reasonableness of the proposed rates. Therefore, the Commission establishes the procedural schedule attached as an Appendix to this Order.

Additionally, any hearing scheduled in this matter shall be held on the designated day or days and continued until called from the bench by the presiding officer. Pursuant to 807 KAR 5:001E, Section 2, if the hearing is not concluded on the designated day, the hearing may be continued upon verbal announcement by the presiding officer. A verbal announcement made by the presiding officer shall be proper notice of the continued hearing. Hearings are held in the Richard Raff Hearing Room at the offices of the Public Service Commission at 211 Sower Boulevard, Frankfort, Kentucky. Witnesses who sponsor schedules, testimony, or responses to requests for information are expected to participate in person at a hearing.

IT IS THEREFORE ORDERED that:

1. Green River Valley District's proposed rates are suspended for five months, up to and including November 3, 2023.
2. The procedural schedule set forth in the Appendix to this Order shall be followed.
3. Green River Valley District shall respond to all requests for information propounded by Commission Staff, whether identified on the procedural schedule or otherwise, as provided in those requests.
4. Any party filing a paper with the Commission shall file an electronic copy in accordance with the electronic filing procedures set forth in 807 KAR 5:001E, Section 8. Electronic documents shall be in portable document format (PDF), shall be searchable,

and shall be appropriately bookmarked. The Commission directs the parties to the Commission's July 22, 2021 Order in Case No. 2020-00085<sup>2</sup> regarding filings with the Commission.

5. As set forth in 807 KAR 5:001E, Section 4(11)(a), a person requesting permissive intervention in a Commission proceeding is required to demonstrate either (1) a special interest in the proceeding that is not adequately represented in the case, or (2) that the person requesting permissive intervention is likely to present issues or develop facts that will assist the Commission in fully considering the matter without unduly complicating or disrupting the proceedings. Therefore, any person requesting to intervene in a Commission proceeding must state with specificity the person's special interest that is not otherwise adequately represented, or the issues and facts that the person will present that will assist the Commission in fully considering the matter. A mere recitation of the quantity of utility service consumed by the movant or a general statement regarding a potential impact of possible modification of rates will not be deemed sufficient to establish a special interest.

6. Any motion to intervene filed after the date established in the procedural schedule shall also show good cause for being untimely. If the untimely motion is granted, the movant shall accept and abide by the existing procedural schedule.

7. Green River Valley District shall give notice of the hearing in accordance with the provisions set forth in 807 KAR 5:001E, Section 9(2). In addition, the notice of
