ORDER

On May 15, 2023, Garrard County Water Association, Inc. (Garrard Water Association) filed an application requesting Commission approval of a Certificate of Public Convenience and Necessity (CPCN), pursuant to KRS 278.020, and authority to issue evidence of indebtedness, pursuant to KRS 278.300.

KRS 278.300(2) provides that the Commission must adjudicate an application for authority to issue an evidence of indebtedness within 60 days of the date that the application was filed. KRS 278.300(2) also provides that the Commission can continue its review of the application for longer than 60 days upon a showing of good cause.

Based upon a review of the application, the Commission finds that an investigation is necessary to determine the reasonable necessity and appropriateness of the request, and that the investigation cannot be completed by July 14, 2023, due to the number of projects involved and the interrelated projects approved in a recent Garrard Water

Association case.<sup>1</sup> For that reason, the Commission finds that good cause exists to continue the application beyond the 60-day period specified in KRS 278.300(2) so that the Commission can conduct a thorough review of the proposed transaction.

The Commission further finds that a procedural schedule should be established for the orderly processing of this case. The procedural schedule is attached as an Appendix to this Order.

Additionally, any hearing scheduled in this matter shall be held on the designated day or days and continued until called from the bench by the presiding officer. Pursuant to 807 KAR 5:001E, Section 2, if the hearing is not concluded on the designated day, the hearing may be continued upon verbal announcement by the presiding officer. A verbal announcement made by the presiding officer shall be proper notice of the continued hearing. Hearings are held in the Richard Raff Hearing Room at the offices of the Public Service Commission at 211 Sower Boulevard, Frankfort, Kentucky. Witnesses who sponsor schedules, testimony, or responses to requests for information are expected to participate in person at a hearing.

IT IS THEREFORE ORDERED that:

1. Garrard Water Association's application for approval of the proposed evidence of indebtedness is continued beyond the 60-day period specified in KRS 278.300(2).

13. The Commission does not look favorably upon motions to excuse witnesses from testifying at Commission hearings. Accordingly, motions to excuse a witness from testifying at a Commission hearing or from testifying in person at a Commission hearing shall be made in writing and will be granted only upon a showing of good cause.
