ORDER

On November 16, 2023, Kentucky Power Company (Kentucky Power) filed a motion seeking to allow virtual participation of Kentucky Power’s Witness, Michael J. Adams, at the November 28, 2023 through December 6, 2023 hearing scheduled in this case.

As a basis for its motion, Kentucky Power stated that its witness, Mr. Adams, filed Direct Testimony concerning the lead/lag study performed and used in Kentucky Power’s preparation of its base rate application. Kentucky Power further stated that no data requests were issued concerning the lead/lag study, and Mr. Adams did not support any responses to any data requests or file rebuttal testimony in this matter.

Furthermore, Kentucky Power stated that due to Mr. Adam’s limited participation in this proceeding and his location outside of Kentucky, Mr. Adams virtual participation will reduce the time, expense, and other difficulties associated with and travelling to the hearing.

Based upon the motion and being otherwise sufficiently advised, the Commission finds that Kentucky Power has established good cause to allow Michael J. Adams to participate virtually. Mr. Adams has maintained limited participation in the case; therefore, Mr. Adams should be allowed to appear virtually at the hearing.

IT IS THEREFORE ORDERED that:

1. Kentucky Power's motion is granted.
2. Michael J. Adams may participate virtually in the November 28, 2023 through December 6, 2023 hearing.
3. Kentucky Power shall notify Commission Staff of the party or parties that will be participating virtually pursuant to this Order within one day of the date of service of this Order.
4. Commission Staff shall contact the participants with instructions for participating remotely.
