Dear Kentucky Public Service Commission,

Kentucky Power customers are already paying the highest power bills in the state. We need warm homes, affordable energy, clean air, and a safe climate - NOT HIGHER BILLS. Please reject Kentucky Power's proposal to raise residential rates by over 18%, and encourage Kentucky Power to address already high customer rates with energy efficiency programs. Retired and limited income

Thank you for ensuring that Kentuckians' voices are an important part of the regulatory process.

Sincerely,  
S C
