RE: Hardin County Water District No. 2
Case No. 2023-00247 Filing Deficiency

The Commission Staff has reviewed the application in the above case. This filing is rejected for the reason set forth below.

Filing deficiency pursuant to:

1. 807 KAR 5:001, Section 16 (4) (n): Summary of latest depreciation study with schedules by major plant accounts, except that telecommunications utilities adopting PSC's average depreciation rates shall provide schedule identifying current and test period depreciation rates used by major plant accounts. If filed in another PSC case, refer to that case's number; Applicant did not provide a depreciation study, but rather requested using the NARUC Mid Lives for assets. However, to do this, applicant should file a Motion for Deviation.

You are requested to submit the information necessary to cure the deficiencies within 10 days of the date of this letter. If you need further assistance, please contact my staff at 502-564-3940.

Sincerely,

A handwritten signature in blue ink that reads "Linda C. Bridwell".
