ORDER

On October 3, 2023, a request for information was issued by Commission Staff that contained the incorrect due date for the response to the requests. Pursuant to an Order issued on September 27, 2023, in this matter, the response to the request for information is due on October 13, 2023, and not October 6, 2023.

Finding that the October 3, 2023 request for information should be amended to reflect the actual due date, the Commission HEREBY ORDERS, on its own motion, that:

1. The sentence in the first paragraph of the request for information that reads “[t]he information requested is due on October 6, 2023” is stricken and is replaced with the following language:

The information requested is due on October 13, 2023.

2. All other portions of the request for information that are not in conflict with the terms of this Order shall remain in effect.
