[REDACTED] [REDACTED] ?

I wish to comment on this issue. I do believe we just had a increase. Inflation is lower according to the economy reports. Many years ago the environment tax was added to help upgrade our infrastructure and was eventually supposed to be removed. We have smart meters that was supposed be a savings. Mother nature will still destroy our power supply so maintenance is the norm. NO TO THIS OUTRAGEOUS INCREASE. Sincerely Felecia Faith [REDACTED] Nortonville Ky. 42442
