Comments: First, thank you for taking the time to read my inquiry. The citizens of Louisville oppose any rate increases by LGE. We need better stewardship instead of rate increases. The amount of increases the citizens of Louisville are burdened with is reaching a breaking point. From MSD, JCPS, property tax increases, home and auto insurance increases--there is not much more left. We need help. Citizens are stretched thin and we need a voice of reason. Please, do not let this increase pass. Thank you
