governmental agency, be accompanied by a signed certification of the preparer or the person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

KYSEIA shall make timely amendment to any prior response if KYSEIA obtains information that indicates the response was incorrect or incomplete when made or, though correct or complete when made, is now incorrect or incomplete in any material respect.

For any request to which KYSEIA fails or refuses to furnish all or part of the requested information, KYSEIA shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

1. Refer to the Direct Testimony of Justin R. Barnes (Barnes Direct Testimony) page 28, lines 16–19. Provide examples of specific documentation that should satisfy criteria associated with a Qualifying Facility (QF) having undertaken efforts to obtain site control and secure requisite permits.

2. Refer to the Barnes Direct Testimony at 31, lines 6–10. Explain what would be considered a reasonable amount of time Kentucky Power should be given to provide information on estimated study costs to prospective QFs.

3. Refer to the Barnes Direct Testimony at 32, lines 7–13. Explain whether the same objections would be present if Kentucky Power was not proposing to combine COGEN/SPP I and COGEN/SPP II.

4. Refer to the Barnes Direct Testimony at 33, line 22, through page 34, lines 1–3. Explain the appropriate limit, if any, for customer participation in the single demand-metered residential tariff that would meet the standard for a non-discriminatory rate.

5. Refer to the Barnes Direct Testimony at 36, lines 2–7. Given that the deployment of advanced metering infrastructure (AMI) meters has not yet been completed by Kentucky Power, conduct an evaluation on the cost basis of metering charges.

6. Refer to the Barnes Direct Testimony at 37, lines 12–16. Explain why a 20-year contract term would be necessary to support a QF seeking financing or other financial arrangements.
