My name is Cheryl Adkisson and I reside at [REDACTED], Prospect KY. I am concerned about a notice I received in the mail yesterday regarding an application submitted by Bluegrass for another rate increase. My husband and I are retired and monthly pay the \$77.77 sewer charge, the minimum required as I understand. We don't use any water at all about 4-5 months out of the year when we are not in residence yet are still charged the minimum of \$77.77 monthly. In comparison to other locations I have checked throughout the state and in Virginia, our current rate far exceeds other locations in some cases more than quadruple the rate of other suburban residential areas. I am strongly opposed to another rate increase, particularly for those with low water usage. Please consider denying this application.
