Comments:

The radical increase in our sewer bill will cause undue hardships on my and my neighbors families, who most are retirees.

To make everyone in the system pay for upgrades that most users will never benefit from is ridiculous and criminal.

Plus having the hearings hours away so that those people that are most vocal can't attend.

We are locked into never decreasing and constant increases without a way to fight back.

Please vote no on the increase that this company is asking for.
