In the Matter of:

LIVINGSTON AND KENTUCKY-AMERICAN	)	CASE NO.

CONTROL AND ASSETS	)	

ORDER

On November 12, 2025, Kentucky-American Water Company (Kentucky-American) and the city of Livingston (Livingston) (jointly, Joint Applicants) filed a joint application, pursuant to KRS 278.020, requesting approval of Kentucky-American's acquisition and transfer of ownership and control of Livingston's water utility assets and provision of water service.

Joint Applicants have requested a decision on this matter within 90 days, as they contemplate a March 1, 2026 closing date for the agreement, pending Commission approval. KRS 278.020(7) states that the Commission shall render a decision on an application for the acquisition of control of a jurisdictional utility within 60 days after the application was filed, unless it is necessary to continue the application for up to 60 additional days, for good cause. Based upon a review of the application, the Commission finds that an investigation is necessary, and that the investigation cannot be completed by January 11, 2026. However, due to Joint Applicants' request for a decision on this matter within 90 days, the Commission will continue the application for up to 30 additional days, up to and including February 10, 2026.

The Commission, on its own motion, finds that a procedural schedule should be established for the orderly processing of this case. A procedural schedule is set forth in the Appendix to this Order.

Additionally, any hearing scheduled in this matter shall be held on the designated day or days and continued until called from the bench by the presiding officer. Pursuant to 807 KAR 5:001, Section 2, if the hearing is not concluded on the designated day, the hearing may be continued upon verbal announcement by the presiding officer. A verbal announcement made by the presiding officer shall be proper notice of the continued hearing. Hearings are held in the Richard Raff Hearing Room at the offices of the Public Service Commission at 211 Sower Boulevard, Frankfort, Kentucky. Witnesses who sponsor schedules, testimony, or responses to requests for information are expected to participate in person at a hearing.

IT IS THEREFORE ORDERED that:

1. Pursuant to KRS 278.020(7) and the good cause discussed above, this application shall be continued for up to 30 additional days, up to and including February 10, 2026.
2. The procedural schedule set forth in the Appendix to this Order shall be followed.
3. Joint Applicants shall respond, individually or jointly as required, to all requests for information propounded by Commission Staff, whether identified on the procedural schedule or otherwise, as provided in those requests.
4. Any party filing a paper with the Commission shall file an electronic copy in accordance with the electronic filing procedures set forth in 807 KAR 5:001, Section 8.

Electronic documents shall be in portable document format (PDF), shall be searchable, and shall be appropriately bookmarked. The Commission directs the parties to the Commission's July 22, 2021 Order in Case No. 2020-00085¹ regarding filings with the Commission.

5. As set forth in 807 KAR 5:001, Section 4(11), a person requesting permissive intervention in a Commission proceeding is required to demonstrate either (1) a special interest in the proceeding that is not adequately represented in the case, or (2) that intervention is likely to present issues or develop facts that will assist the Commission in fully considering the matter without unduly complicating or disrupting the proceedings. Therefore, any person requesting to intervene in a Commission proceeding must state with specificity the person's special interest that is not otherwise adequately represented, or the issues and facts that the person will present that will assist the Commission in fully considering the matter. A mere recitation of the quantity of utility service consumed by the movant or a general statement regarding a potential impact of possible modification of rates will not be deemed sufficient to establish a special interest.

6. Any motion to intervene filed after the date established in the procedural schedule shall also show good cause for being untimely. If the untimely motion is granted, the movant shall accept and abide by the existing procedural schedule.

7. Joint Applicants shall give notice of any scheduled hearing in compliance with 807 KAR 5:001, Section 9(2)(b). In addition, the notice of hearing shall include the following statements: "This hearing will be streamed live and may be viewed by

12. Pursuant to KRS 278.360 and 807 KAR 5:001, Section 9(9), a digital video recording shall be made of the hearing.

14. The Commission does not look favorably upon motions to substitute witnesses or excuse witnesses from testifying at Commission hearings. Accordingly, motions to substitute witnesses or excuse a witness from testifying at a Commission hearing or from testifying in person at a Commission hearing shall be made in writing at least 14 days prior to the hearing and will be granted only upon a showing of good cause.

15. Nothing contained herein shall prevent the Commission from entering further Orders in this matter.
