Dear Director -

Verizon has filed a new cell tower application on property in Hart County with you when there is a long-existing PLANNING COMMISSION in Hart County. This CASE NO. 2025-00369 is filed in the wrong place.

They are plainly trying to get around the local community and just go through Frankfort when that is just not right. You know these Planning commissions are supposed to make the decisions on these cell towers.

Call the HART COUNTY PLANNING COMMISSION office at (270)-537-5423 over in Munfordville and they will tell you they EXIST! Send that tower request down to Munfordville and the HART COUNTY PLANNING COMMISSION so the rightful agency will make the decision!
