(c) That: my complaint regards to
(Describe here, attaching additional sheets if necessary, the specific act, fully and clearly,
me unknowingly being charged
or facts that are the reason and basis for the complaint.)
Commercial rates for residential property
resided from the time I purchased and
resided in. I called to have
my gas & electric turned
on in February of 2025 in my
newly purchased home. I was asked

and i notably replied "was this my
primary residence?" yes it is and has
been since Feb 5, 2025. The property was
not listed as commercial, if it had
been i would not have purchased it.

I have never owned commercial
property And I just moved to Ky from
Cincinnati, so i had no idea that i
was being charged commercial since i
said that when i had the service
turned on. Im 61 yrs old living
on a fixed income Due to multiple
back & neck surgeries over the years
from physical hard work. Now on total
SS DI. I feel totally taken advantage
of. I just want back what i paid
for commercial while its been residential.
