RE: Case No. 2026-00054
ELECTRONIC APPLICATION OF CELLCO PARTNERSHIP D/B/A VERIZON WIRELESS AND HORVATH COMMUNICATIONS FOR ISSUANCE OF A CERTIFICATE OF PUBLIC CONVENIENCE AND NECESSITY TO CONSTRUCT A WIRELESS COMMUNICATIONS FACILITY IN THE COMMONWEALTH OF KENTUCKY IN THE COUNTY OF ROBERTSON

Dear Robertson County Historical Society:

This is in response to your letter received on April 8, 2026, regarding the application for approval to construct a wireless tower facility. The letter has been placed in the official case file of this proceeding, and the Commission will carefully analyze this application before rendering its final decision. By this letter, the attached public comment has been forwarded to the Applicant for a response. Commission Staff requests the Applicant to submit a written response to the comment, with a copy to the Commission, within 15 days of the date of this letter.

It may be helpful for you to know the state authority, specifically that of the Public Service Commission, in this matter has been limited by federal law. For example, Section 704 of the federal Telecommunications Act of 1996 prohibits this Commission from regulating the placement of wireless facilities based on environmental effects of the radio frequency emissions to the extent that facilities comply with Federal Communications Commission regulations. Section 704 also prohibits a state or local government from prohibiting telecommunications facilities construction if such denial will have the effect of prohibiting service. In addition, this Commission is required by statute to ensure that utility service, including telecommunications service, is adequate and reliable. The Commission considers the appropriate placement of necessary facilities within applicable engineering boundaries. It also pursues a policy of colocation of facilities whenever possible.

You may view Orders and data requests issued by the Commission or other formal case documents on our website at https://psc.ky.gov/Case/ViewCaseFilings/2026-00054. Thank you for your letter of interest and concern in this matter.

Sincerely,

Justin McNeil
Executive Director

NOTICE OF INITIATION OF THE SECTION 106 PROCESS-PUBLIC PARTICIPATION
HORVATH- HV1775 MT. OLIVET
MT. OLIVET, ROBERTSON COUNTY, KENTUCKY

Notice of Initiation of the Section 106 Process-Public Participation in accordance with the FCC's Nationwide Programmatic Agreement. Notice of Initiation of the Section 106 Process-Public Participation in accordance with the FCC's Nationwide Programmatic Agreement. Horvath intends to construct a communications facility at 719 Kentontown Road Mt. Olivet, Robertson County, Kentucky 41064 (38.5306394, -84.0496639). The facility will include a guyed telecommunications tower with an approximate overall height of 305 ft. and associated equipment. Horvath is publishing this notice in accordance with Federal Communications Commission regulations (47 CFR § 1.1307) for Section 106 of the National Historic Preservation Act (NHPA) and for the National Environmental Policy Act (NEPA).

Horvath must comply with all Federal, State and local regulations governing the proposed facility. Section 106 of the National Historic Preservation Act of 1966, as amended, requires Horvath to evaluate this project for any effect it may have on Historic Properties. As part of this evaluation, Horvath is required to publish Public Notice in an effort to gather comments on the potential effects of the proposed facility on Historic Properties.

The purpose of this letter Is to:

- Notify your office that Public Notice seeking comments on the potential effects of the proposed construction on Historic Properties was published in the Robertson County News on March 4, 2026.
- Invite comments on the potential effects of theproposed facility on Historic Properties, from your office and any other relevant individuals or groups that you may be aware of.

Attached to this letter are the following: a topographic map, site map, aerial photograph, and a copy of the wording placed in the Public Notice.

We respectfully request that partiesinterested in submitting comments regarding any potential effects of the proposed facility on Cultural or Historic Properties, or questionsregarding the project, may do so by sending them to GSS, Inc., 1054 Texan Trail, Suite 300, Grapevine, TX 76051; Ph. (682} 651-0034 within 30 days of the date of this letter.

Sincerely,
;/J-6□-.

To Whom It May Concern:

received your letter informing us of
facility to be constructed in Robertson

These include, but are not limited to:
the awakening and encouraging recognition of all aspects of our history and our heritage. This may be either genealogy, archaeology and/or identification of and preservation of historic buildings and sites.

After reviewing this letter we have questions that we would like addressed:

(next page, please)

1. What are your plans for the access road to the tower?

2. Will the road affect the Mt. Olivet Cemetery?

3. What are your plans for protecting the Cemetery?

4. What is your position for protection of the Cemetery tombstones in the construction and maintenance of the tower/site?

5. Can the tower be shorter?

6. Will the aesthetic beauty of our town and/or county be affected by this tower and all that goes with it?

We await your reply.
