COMMISSION STAFF'S SECOND REQUEST FOR INFORMATION
TO GREEN RIVER VALLEY WATER DISTRICT

Green River Valley Water District (Green River Valley District), pursuant to 807 KAR 5:001, shall file with the Commission an electronic version of the following information. The information requested is due on August 3, 2026. The Commission directs Green River Valley District to the Commission's July 22, 2021 Order in Case No. 2020-00085¹ regarding filings with the Commission. Electronic documents shall be in portable document format (PDF), shall be searchable, and shall be appropriately bookmarked.

Each response shall include the question to which the response is made and shall include the name of the witness responsible for responding to the questions related to the information provided. Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a

¹ Case No. 2020-00085, *Electronic Emergency Docket Related to the Novel Coronavirus COVID-19* (Ky. PSC July 22, 2021), Order (in which the Commission ordered that for case filings made on and after March 16, 2020, filers are NOT required to file the original physical copies of the filings required by 807 KAR 5:001, Section 8).

governmental agency, be accompanied by a signed certification of the preparer or the person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

Green River Valley District shall make timely amendment to any prior response if Green River Valley District obtains information that indicates the response was incorrect or incomplete when made or, though correct or complete when made, is now incorrect or incomplete in any material respect.

For any request to which Green River Valley District fails or refuses to furnish all or part of the requested information, Green River Valley District shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention shall be given to copied and scanned material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations. When filing a paper containing personal information, Green River Valley District shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the paper so that personal information cannot be read.

1. Refer to Green River Valley District's response to Commission Staff's First Request for Information (Staff's First Request), Item 15, Attachment 1-15. Refer also to Green River Valley District's response to Staff's First Request, Item 1. Explain the

reasoning for proposing to purchase 9,200 meters when Green River Valley District's system has approximately 7,500 meters.

2. Refer to Green River Valley District's response to Staff's First Request, Item 28. Provide an estimated timeline for the following:

a. When Green River Valley District expects the replacement of the first 5,000 meters would be completed.

b. When Green River Valley District would seek additional financing for the remaining meters in need of replacement.

c. When Green River Valley District expects full advanced metering infrastructure (AMI) deployment would be completed.

3. Refer to the Application, page 14, Item 31.

a. Provide any documentation for short-term financing provided by the local financing institution.

b. Provide the interest rate for the short-term financing. If the interest rate for the short-term financing has not been finalized, provide the expected interest rate.

4. Refer to the Application, pages 1-2, and page 18, Item 40.

a. Confirm that "Leak Detector" software is either an optional separate piece of software or an optional add-on to the "AMI Standard" software packages. If not confirmed, explain.

b. Identify the period for which Green River Valley District intends to use the Leak Detector software.

c. Explain if Green River Valley District intends to discontinue the use of Leak Detector software prior to the expiration of the useful life of the meters or receivers, and if so, explain when and under what circumstances discontinuation would occur.

5. Refer to Green River Valley District's response to Staff's First Request, Item 16. Provide the total estimated cost to replace the existing 1-inch and 2-inch meters with the proposed AMI meters, broken down by meter size.

6. Referring to Green River Valley District's response to Staff's First Request, Item 15, Attachment 1-15. Confirm that the Core & Main quote does not include Edmonson District's Hart County system. If not confirmed, explain.
