Subject: Request for Procedural Status Update - PSC Case No. 2026-00095

Dear Executive Director,

I'm writing to respectfully request an administrative status update regarding my formal complaint against Natural Energy Utility Corporation (NEUC), Case No. 2026-00095.

My complaint has been pending for approximately six and a half months, and I've previously submitted filings requesting procedural action, including my July 22, 2026 Motion for Procedural Ruling and my September 11, 2026 Notice of Continued Pendency and Motion for Procedural Status.

As I haven't received a ruling on these requests, I would appreciate clarification regarding the current procedural status of my complaint.

Specifically, I'd like to know whether the Commission has completed its initial review to determine whether the complaint establishes a prima facie case under 807 KAR 5:001, Section 20, and whether any procedural order or further action is anticipated.

I understand that the Commission handles numerous proceedings, and I appreciate the time and attention devoted to these matters. My intention is simply to understand where my complaint stands and whether anything further is needed from me at this time.

Thank you for your consideration. I look forward to your response.

Respectfully,

Brian Mitchell Johnson
Complainant, pro se
