**PUBLIC SERVICE
COMMISSION**

Dear Kentucky Public Service Commission,

I am writing to respectfully request a status update regarding **PSC Case No. 2026-00154, Melissa Saurini and Jonathan Jones v. Kentucky Utilities Company.**

The Commission entered its Order on July 20, 2026, directing Kentucky Utilities Company to satisfy the matters complained of or file a written answer within ten days. Kentucky Utilities filed its Answer on July 30, 2026.

I also previously submitted supplemental information and documentation for consideration in this matter.

As of August 26, 2026, I have not received notice of any further order, request for information, or other action following KU's Answer. I understand that the Commission requires adequate time to review the filings, and I am not suggesting that any applicable deadline has passed. I am simply requesting confirmation of the current status of the case and whether the Commission requires anything further from me at this time.

Please also advise whether I will have an opportunity to respond to KU's Answer or submit any additional documentation before the Commission makes a final determination.

I respectfully request that the case remain open until the issues raised in my complaint and supplemental filings have been fully reviewed and addressed.

Because written communication provides a clear record, I respectfully request that any response or request for additional information be provided in writing.

Thank you for your time and attention to this matter.

Sincerely,

Melissa Saurini
Complainant
